SCIENCE &
ENGINEERING
WEEK

7-16
MARCH
2008

our
dynamic
earth

the **BA**

british association for the
advancement of science

Sat 8th and Sun 9th March

PLANET POLAR
Cool cold stuff
from around the World

FREE family attractions at Dynamic Earth

This event is jointly organised by the British Association for the Advancement of Science and Our Dynamic Earth, with the assistance of many organisations involved in polar-related science. Access to exhibitions, presentations and children's events within this programme is free of charge. There is a charge for access to other exhibits in Dynamic Earth.

Planet Polar takes place from 10am to 5pm on Saturday 8th and Sunday 9th March at Our Dynamic Earth, Holyrood Road, Edinburgh EH8 8AS.
